

A Letter From The National President

Iota News Today 2016 Newsletter

November 4, 2016

Vol.1. No.3

Dear Sorors,

Welcome to a new sorority year! I was delighted to travel and communicate with various Sorors to hear of their progress and concerns. Our Regional Directors continue to focus on membership and I am excited to hear about the activities and possibilities they are engaged in, whether it is increasing new members, reclaiming inactive members, or chartering chapters. Membership is the responsibility of all of us at every level. Keep up the good work Sorors!

As the Nation enters an election period, remember to do your civic duty in remembrance of so many that fought for the right. Stay engaged as Iota continues its work. I am proud to release the third National newsletter of this year.

Please click the below link to read the newsletter and see highlights on Iota's upcoming program activities and events; status updates on the LMP Foundation and National Headquarters, Iota partnership with Amazon Smile; welcoming a new chapter; and so much more. Click here: [Iota](#)

[News Today, Volume 1, Number 3 edition.](#)

Sincerely,

Stephanie Dilworth
22nd National President
